## Share the Love

Every month we collect the wonderful comments, compliments and words of praise offered to AgeCare staff in the form of **WOW tickets**. This is a simple yet meaningful way of making someone's day and recognizing them or their team for the hard work and commitment to care for our residents! Here are a few recent WOW comments we collected:

*"This staff member has been a valuable worker. She goes above and beyond to help other coworkers. When there is a situation that needs interpretation for a Punjabi speaking resident, she is always there to support. Thank you for all you do. You really make a difference!! Keep up the good work!"* -from one staff member to another at AgeCare SkyPointe.

*"My Mom was having a very difficult week and the nurses and staff were so very patient with my Mom. I could tell they had tried everything to try to calm her and make her happy. The staff has to work so hard with so many residents on the floor but never do I feel that my Mom is neglected. I applaud all of the staff as they are so tired but always show a great attitude. I am very grateful to them!"* - from a family member at AgeCare Walden.

*"Many many thanks to all the staff at Cariboo who shower my Mom with kindness and bring joy to her days."* – emailed from a family member at AgeCare Cariboo Place.

*"Our family would like to take this opportunity to thank the staff at AgeCare Shawnessy unit for the kind, compassionate and dignified care they provided to our Mother until her recent passing. That care was not only for our Mother, the staff were very attuned to our needs as a family, and we feel we were always treated with respect and compassion. We want to thank your skilled and dedicated staff for executing their responsibilities in a very professional manner and being extremely caring to both our Mother and family during her final days."* - from the family of a resident

## Recreation Calendars

Our recreation team works hard to create engaging activities that enrich the mind, body and spirit. We are continuously looking for ways to reduce the risk of transmission while having the least impact on our residents' well-being.

Please note that communities with an exposure or outbreak may have different recreation restrictions. Contact your community or [sign up for email updates](#) to stay informed on the latest information.

**For our AgeCare communities from Revera,** your Activity Pro Family Portal is still available for you to access. You can log in with your usual username and password at [online.activitypro.net/users/login/agecare](https://online.activitypro.net/users/login/agecare).

If you are a current resident family member and don't yet have a username and password to access your loved one's **Activity Pro** page, please [contact](#) the community directly and ask to speak to the recreation team. They will walk you through the steps needed to access the family portal.
